*[*Complete traditional and year-round calendars.](#)*

To the Class of 2017: Congratulations on the tremendous accomplishments you have earned as students of Port Huron Schools. It is with inspired hope that we wish you the best and will continue to cheer you on as you make your mark on the world.

You are truly embarking on a limitless future. Technology, medicine, engineering, communications, economics, politics, entrepreneurship and skilled innovation are all fields that are moving at an incredible pace and with more profound effect on a global level than ever before. It is our job as a school district to ensure you have what it takes to compete with your peers and excel. Your promise and potential are what motivates us as advocates, innovators and educators to do our best every day. We look forward to hearing of your future endeavors and perhaps you will come back home in the not too distant future.

(This is an excerpt of my monthly editorial to the community. To read the editorial in its entirety, please read this [article from Sunday's Times Herald.](#))

The 3rd annual PHS Endowment Fund [K's for Kids Fun Run](#) is now history. I would like to extend a huge thank you to **Randa Jundi-Samman** (pictured 2nd from the right) and her team for coordinating this entire event, and to all of our incredible [sponsors](#).

Christopher Hunter was the fastest runner of the 5K with a time of 20:46.1. Central Middle School student **Madison Camm**, 12, added her third first-place medal in the one-mile run with a time of 7:12. Read this [Times Herald article](#) for more information on results from the race.

Thank you to the **generous students, staff and families at Central Middle School**. In an effort to pay tribute to their classmate Dale Phillips, the school raised over \$2,000 through a dance/rec night event to support his funeral service costs. We are all still mourning the tragic loss of Dale as a district, but I am so proud of the community at Central Middle School and their support in the family's time of need. Thank you.

Bond Construction is in high gear this summer! Four of our buildings are setting up “temporary offices” while their buildings undergo major renovation this summer:

Mrs. Tibble (Cleveland PE teacher), **Andreas** (4th grader), **Ariana** (5th grader), **Mashyla** (5th grader), and **Hannah** (not pictured – 5th grader) represented **Cleveland Elementary** at the **Healthy Minds, Healthy Bodies Run** on Saturday, May 13, 2017 at St. Clair Community Mental Health. Their efforts showed support for good mental and physical health. The trophy they were awarded was placed in a drawing on June 15, 2017. **Mashyla's name was drawn as the winner for the Healthy Minds, Healthy Bodies Run trophy!**

Parents, students, staff and the greater Port Huron Schools community:

Accessible

In an effort to better serve any person who is a member of our Port Huron Schools community, our district has been in a year long process to update its communication tools in accordance with Section 504 and Section 508 of the Rehabilitation Act and Title II of the American Disabilities Act. What this means is that our website and other media will be accessible for all. You may have noticed some recent minor changes with formatting in the weekly "This Week at Port Huron Schools" e-newsletter. Soon, **our website www.phasd.us will be re-launching** live after extensive revision for the same compliance purposes. Our PHS-TV services will also be providing improved accessibility.

Accessible

We appreciate your patience and support as these systems continue to be improved in an effort to ensure the optimum user experience for the entire PHS community. As always, any accessibility concerns may be brought to the district's attention via webaccessibilitycoordinator@phasd.us or (810) 984-3101 ext. 4018. Thank you!
